World's Water Day				
<p>Humanity needs water, so every drop is precious. On March 22nd, World Water Day is a day to celebrate water and make a difference for people (1) do not have the water they need. The truth is that we are lucky (2) to have clean water whenever we want, but this is not the case (3) many people around the world. Did you know that around 750 million people do not have clean water (4) drink? That's around 1 in 10 people in the world. And did you know that 2.5 billion people do not have clean toilets? That's about 1 in 3 people in the world.</p> <p>In 1993 the United Nations (5) that March 22nd is the World Day for Water. (6) this day every year, countries around the world hold events to educate people about the problems of dirty water and that clean water is something that everyone (7) have around the world. People organise events to raise money and this money helps countries (8) Nigeria or Nicaragua get clean water to its people so that children won't die from diarrhoea. For World Water Day, some people in the UK walk, run or cycle 10 km, others climb mountains or even jump from an aeroplane and skydive to the ground. At one school children between the ages of 10 and 15 walk 6 km with 6 litres of water so they can see how it (9) to walk a long distance carrying heavy bottles of water. People give them money to do these things and all the money helps get clean water to as (10) people as possible around the world.</p> <p>Adapted from http://learnenglishteens.britishcouncil.org/</p>

Leggi attentamente le seguenti descrizioni di ristoranti e locali particolari.
Restaurant 1 – A TASTE OF TUSCANY

Whether you'd like a great value-for-money lunch or a relaxed evening meal in stylish surroundings, this is the place for you. The chefs have all been trained in Italy and they make both traditional and contemporary dishes. We recommend the pasta and seafood!

Restaurant 2– CHEESY BITES

A restaurant that only serves cheese. Hundreds of cheeses from many countries and in lots of different forms! Lunches are reasonably priced but dinner can be expensive. Fantastic food and a very elegant dining room, which looks onto an amazing flower garden.

Restaurant 3 – THE CHOCOLATE BOX

The owner of this small café used to cook all kinds of food, but then she realised she preferred desserts to anything else. If you want meat or fish, don't come here. They only do desserts! Lots of different kinds of sweets. Chocolate lovers might be overwhelmed by the range of chocolate cakes.

Restaurant 4 – MUSICAL CHAIRS

Have you noticed how music improves the taste of your food? This new restaurant has different types of live music every night except Sundays, and excellent food to go with it. Great fish dishes, steaks and pizzas. Monday is classic rock night: see you there!
